

Application No. 10/006,419
Amdt. dated 5/23/05
Reply to Office action dated March 23, 2005

Remarks/Arguments:

Reconsideration of the application is requested. Claims 1-16, 18-39, and 36-66 are now in the application. Claims 31-35 have been canceled without prejudice. Claims 62-65 have been added.

It is noted with appreciation that claims 1-16, 18-30, and 36-51 have been allowed

Basis for the additions is found in Example 1 and the original claims.

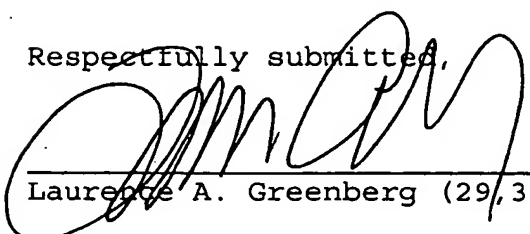

Claims 31-35 have been canceled without prejudice. The newly added claims 62-65 are modeled upon allowed claims 47 and 48, and are within the scope of at least one of the allowed claims.

In view of the foregoing, reconsideration of the application and allowance of claims 1-16, 18-30, and 36-65 are solicited. In the event the Examiner should still find any of the claims to be unpatentable, please telephone counsel so that patentable language can be substituted.
